EQUAL CREDIT OPPORTUNITY ACT NOTICE

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status or age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The federal agency that monitors compliance with this law concerning this company is the Federal Trade Commission, with offices for the Midwest Region at 55 W. Monroe Street, Suite 1825, Chicago, IL 60603 or the Federal Trade Commission, Equal Credit Opportunity, Washington, DC 20580.

You need not disclose income from alimony, child support or separate maintenance payment if you choose not to do so. However, because we operate a Special Purpose Credit Program, we may request and require, in order to determine an applicant's eligibility for the program and the affordable mortgage amount, information regarding the applicant's marital status; alimony, child support and separate maintenance income; and the spouse's financial resources.

Accordingly, if you receive income from these sources and do not provide this information with your application, your application will be considered incomplete, and we will be unable to invite you to participate in the Habitat program.
